£12.50

Whole day: 9am-3.30pm £32.50

Our Pre-School is within a Primary School and is run by qualified teachers. We work hard to ensure we have well run and enjoyable provision for the children to experience. Our provision is open to local and the wider community to access.

Thankyou for taking the time to read this information. We look forward to working in partnership with you and to help your child achieve their full potential in all areas of learning.

If you have any questions or enquiries, please do not hesitate to contact the school office on 01673 878216 or email enquiries@normanby.lincs.sch.uk

Welcome to Busy Bees Pre-School

Busy Bees Pre-School has been providing quality, affordable childcare for many years. We provide high quality care and learning in a warm, friendly and stimulating environment.

Our aims and objectives

- Provide a warm, welcoming, caring and stimulating environment where children feel valued and can explore at their own pace.
- We offer a wide range of activities and resources to stimulate and support their development, appropriate to their ages and stages of their development.
- We value all children as individuals and value parents/carers and their first educators
- Fun and friendship with other children and adults, playing, working and learning

Little Wandle Letters and Sounds Revised

We ensure our Nursery practice prepares children with the Foundations for phonics.

We follow Little Wandle Letters and sounds revised. Our pre-school children have a daily phonics lesson

Whole School Time

We have lunch in the hall with the rest of the children in the school. We also take part in the Christmas production, sports day, tuck shop, and many more events.

Early Years Framework

At Busy Bees we follow the Early Years Framework (EYFS). This is to ensure quality and consistency in all early years settings, so that every child makes good progress and no child gets left behind.

Prime Areas

Three areas are particularly important for building a foundation for igniting children's curiosity and enthusiasm for learning, forming relationships and thriving. These are the prime areas:

- communication and language
- physical development
- personal, social and emotional development

Specific Areas

Providers must also support children in four specific areas, through which the three prime areas are strengthened and applied. The specific areas are:

- literacy
- mathematics
- understanding the world
- expressive arts and design
